

**COVID-19 Update:**

**We will be following the guidelines below to keep everyone safe and healthy**

- We will be pre-screening you before your appointment. No one who is sick may enter the building.
- We will be taking temperatures of our employees, as well as every client.
- All guests will be required to sign a waiver upon entering.
- Everyone in the building must wear a mask at all times. If a client is receiving any type of facial waxing or facial, they must put back on their mask before leaving the treatment room.
- You must wear a mask during your massage while you are face-up and you can take it off for face-down position.
- If you have a health condition where you can not wear a mask, you must bring in a doctor note stating that.
- Once you arrive, please give us a call.
- You will be able to fill out paperwork and pay as usual.
- We cannot accommodate children or guests at your appointment.
- Please, no large handbags-bring only your phone and form of payment.
- Services by appointment only, no walk-ins at this time.
- Self-service beverage stations are paused-we will happily serve you a drink.
- The CDC suggests COVID-19 infected respiratory droplets can be dispersed when people talk. For this reason, talking is limited to communication about pressure, warmth, and comfort while in the enclosed space of the session room.
- Every room will be sanitized from top to bottom between every service.
- If you need to cancel, please do so at least 48 hours in advance to avoid a fee.
- Please cancel if you are feeling sick. You will not receive services if we see that you are sick.

***Thank you for your patience and understanding at this time!***
